

European Software Strategy

External Consultation

Working Groups

Following the discussions at the meeting on January 20th in Brussels and other proposals afterwards, we have a new structure for the working groups including their Moderator and Commission contact that will act as observer:

| <i>WG</i> | <i>Title</i> | <i>Moderator</i> | <i>Commission contact</i> |
|-----------|---|-----------------------|---------------------------|
| 1 | Future Internet - Future Growth opportunities for the Software Industry | Legh-Smith Jonathan | Anne-Marie Sassen |
| 2 | Business/Technology Trends in the Software Industry | Andreas Tegge | Maria Tsakali |
| 3 | IPR, Standards and Interoperability | Rigo Wenning | Michel Lacroix |
| 4 | Public Procurement – Financing Software Innovation | Jardat Michel | Annalisa Bogliolo |
| 5 | SMEs – Reduction of Fragmentation | Toffaletti Sebastiano | Lars Pedersen |
| 6 | Skills and Lifelong Learning | Lueders Hugo | Jorge Gasos |
| 7 | Open Source Software | Anglard Patrick | Paolo Bresciani |
