The National Center for Missing and Exploited Children® (NCMEC) was established in 1984 as a private, nonprofit 501(c)(3) organization. NCMEC provides services nationwide to families and professionals relating to preventing the abduction and sexual exploitation of children. Pursuant to its mission and congressional authorization (see 42 U.S.C. § 5773), NCMEC operates the CyberTipline and the Child Victim Identification Program to provide assistance to law enforcement in its efforts to identify victims of child pornography and child sexual exploitation. NCMEC also works with law enforcement, Electronic Service Providers, electronic payment service providers and others in their efforts to reduce the distribution of child sexual exploitation images and videos on the Internet. NCMEC does not investigate and cannot verify the accuracy of information it receives. NCMEC forwards reports of possible child sexual exploitation to law enforcement for its independent review and analysis.

Pursuant to RCW 26.44.030 Duty to Notify, the following information has been provided to DSHS/CPS.

CyberTipline

The National Center for Missing and Exploited Children's CyberTipline is a reporting mechanism for tip information received by NCMEC related to potential cases of child sexual exploitation including child pornography, online enticement of children for sex acts, molestation of children outside the family, sex tourism of children, child victims of prostitution, and unsolicited obscene material sent to a child. Many of the CyberTipline reports received by NCMEC are from on-line Internet Providers, concerned citizens and often the victims themselves. When NCMEC receives a CyberTipline of possible abuse, NCMEC conducts a limited investigation of the complaint to evaluate the complaint and localize a location of the incident. Once a general location has been identified by NCMEC, the CyberTipline is sent to the incident location's State Internet Crimes Against Children Task Force for referral or investigation. The Seattle Police Department ICAC Task Force currently is the clearing-house for the State of Washington. Once the local jurisdiction has been further identified, the CyberTipline is referred to that agency for follow-up investigation.

Most CyberTipline do not include enough information to identify children, offenders or exact incident addresses without additional investigation. Once the local jurisdiction (listed below) has identified victims, that jurisdiction has the responsibility to notify CPS with more specific information. This referral is intended to only meet the mandatory Duty to Notify requirement as required by WA State law RCW 26.44.030 and RCW 26.44.040.
