If we feel a more detailed response needs to be given, then Ramesh should do this as he's driving this
moving forward. I would prefer to send an exec update after our 7/15 meeting.

FYI.., Bob Herrboldt asked me to send this to BillG. Please feel free to chime in if you have data the
differs. I may owm the overall Intel relationship, but I can't possible track everything... Bill knows that.
That's why I'd set the pointer to Stephanie in the update.

subject:: RE: Intel/Microsoft; Marketing

isn't intel already using linux for EDA?
