Ongoing Actions by SUEPO

Work To Rule Actions: What Are Those Again?

- o Everybody applies strictly their relevant specific working instructions and the working time arrangements; no overtime
- o All colleagues involved in the search process and patent grant procedure shall
 - Focus on **search actions**;
 - Apply thoroughly the EPC, case law and internal instructions, particularly when granting patents;
 - Object to reshuffling of Divisions and redistribution of your stock, and Request a written confirmation if it still happens;
 - Defend against any interference with the Divisions.
- o Strike: A one-day strike or a demonstration may take place on June 29th, 2022 , to coincide with the partially physical (!) meeting of the Administrative Council.
